Magic Spell List

- Aid from Beyond: other characters in the party receive a Heroic Reroll for use only during the current encounter.
- Arcane Armor: target of spell makes all Defense Actions at CS d6, roll twice and take best result, for the duration of the encounter.
- Confusion: Roll d6-3, minimum of 1, reroll and take the best result, for the amount of combat actions that a monster may not move or take Attack Actions, though it may still take Defense Actions.
- Dark Bolt: CS d6 ranged Attack Action that may explode, roll twice and take the best result.
- Rain of Fire: up to 4 targets in close proximity to each other (PM discretion) are attacked with a CS d6-1 ranged Attack Action, roll twice and take the best result.
- Summon Monster: Roll d6-2, minimum of 2, for the amount of combat rounds (including the round the spell is cast) that a monster is summoned under the caster's control, and then vanishes at the end of its last combat round. The monster will not harm itself and can only be directed to attack targets decided by the caster. The monster is summoned adjacent to the caster and may move and attack the following round on the caster's initiative. Controlling the monster does not take up the caster's combat action. Roll a d6
  1-4: chose a Goblin or Giant Centipede.
  5-6: add Orc, Skeleton, Wolf, or Giant Spider to the choices of monster summoned.
  When rolling a 6, reroll, on another 6, may add Minotaur, Ogre, or Troll to the choices of monster summoned.
