Foreword

Here you will find in this product, three printable city maps with nine page poster sized printouts for use with Grinning Skull's D100 City Builder supplement.

Of course you can use them with your own game or empire builder for your game world, indeed you can use them as you wish.

These are simply templates to add details to, add a name, a few notable locales and your away!

Keep an eye out for other volumes in this series, including more City maps, Village maps, and Town maps, that will include more detailed close ups and even more poster sized print outs that you can use as player aids as well as a help for GM's.
