Dark, Evil and Macabre Items

Welcome to *Two Bit Tables: Dark, Evil and Macabre Items*. So you have designed next week's dungeon, complete with a suitable villain at its heart. But what does that villain's lair look like? Need some suitable creepy or macabre decorations for your mad scientist or necromancer's private residence? Well never fear, Healing Fireball Publications is here with a collection of tables designed to allow a Game Master to generate a random collection of dark, evil and macabre-themed items and decorations for your villain's lair.
