Mundane Jungle Animal Encounters

The word "jungle" conjures images of an exotic place of mystery where strange animals roam in the thick foliage. It is a common location for adventure but unfortunately it is a location that often feels empty once the players get there. Well, never fear, your friends here at Healing Fireball Publications have created a collection of tables to add life to these locations in any world.

Table I: Animals of the Jungle

D100	Animal	D100	Animal	D100	Animal
