The new IT Director has a sick tattoo of \_\_\_\_\_

VARONIS

The last consultant was fired over \_\_\_\_\_

VARONIS

In a pinch, \_\_\_\_\_ can be used to remote reboot a server

VARONIS

\_\_\_\_\_ is Layer 8 of the OSI networking model

VARONIS

Forgetting \_\_\_\_\_ in the datacenter is a firing offense

VARONIS

We're going to use \_\_\_\_\_ instead of updating to IPv6

VARONIS

\_\_\_\_\_ is the last stage of our \_\_\_\_\_ rollout

VARONIS

PICK 2

That red plunger switch on the wall launches \_\_\_\_\_

VARONIS

I got this coffee mug from a conference about \_\_\_\_\_ back in 1997

VARONIS

Had a user fall prey to a sophisticated \_\_\_\_\_ phishing attack

 VARONIS

Two factor auth with \_\_\_\_\_ and \_\_\_\_\_

 VARONIS

PICK **2**

Forgot my badge this morning and had to use \_\_\_\_\_ to get in

 VARONIS

\_\_\_\_\_ is now included for free with every OS Update

 VARONIS

\_\_\_\_\_ is now required every time you restart \_\_\_\_\_

 VARONIS
